## Adopt Me !

This is Amy and Precious.  
They are 4 year old labs that came to Petey's Playground as puppies one week before the Yarnell Hill Fire. Both dogs were born with one deformed leg. They were adopted but never got the socialization they need to be independent confident dogs. Both dogs are good with cats and other dogs.

I adopted two dogs from Petey's Playground. The chihuahua with the one eye, is named Luke. Rex is the black dachshund and these two are very bonded. We didn't want to separate them because they lived together with a family in Wilhoit that could not care for them anymore. They have lived with me for over 3 years. I had my Lhasa Apso, Max (the white dog) for over six years and he is now nine years old. Dolce & Gabana are my granddaughter's pets.

### Julie, Twiggy and Lily

Our traveling companions, first Julie, then Twiggy and now Lily.

Julie, part Anatolian Shepard, was a rescue we adopted in WA. Although an abused puppy, she adjusted and became our unique gentle giant.

Twiggy, a Brittany, was a stray from Wickenburg that Kim was fostering. Kim nursed her back to health. Twiggy turned out to be a perfect match for our motorhome travel lifestyle.

Lily joined our family as a puppy in 2016. She is a joy, so full of energy. She's the perfect motivator to keep us active.

Marilyn was always there for the sick, the timid and all the other dogs at Yavapai Humane Society (YHS) that needed her help. She adopted the dogs nobody else wanted and loved and took good care of them. Marilyn went to YHS even after she got sick and battled cancer. She would take care of the dogs before she took care of herself. She finally lost her battle and cancer won! We wish we could find more Marilyn's in this world, the world would be a better place for the shelter dogs!

## Petey's Playground Calendars From Previous Years

If you're a senior living alone, an unexpected illness can be devastating to you and your pets. That's why we created **PETEY'S PLAYGROUND.**

We are a foster-based pet rescue serving seniors in Congress, Yarnell, Peoples Valley, Kirkland, Wilhoit, Skull Valley, and the rural areas in between. We'll take care of your pet if you are unable to do so in a short-term crisis. In some situations, we'll care for your pet in your own home so that your companion animal will not have to face the stress of moving. In other cases we will place your pet in a loving foster home. When you're well again, your pet will come home. We'll also assist you with finding the right new home for your pet if you decide you can no longer care for the animal. There is no charge for this service.

*We are a 501 (c) 3 nonprofit animal welfare organization financed by private donations.*

*We want to help the animals and you.*

You can help us by registering for our services in advance or give us a call. We'll add your name to our list of Clients. You can rest assured that we will take care of your pets while you take care of yourself.

Go to our website to get a form for registering your animals.
