“Susie Courtney” our
dog was a beloved
friend and companion.

In May 2000, Beth Beecham
adopted Kit Kat from the Yavapai
Humane Society. She was in the far
corner of her cage, physically shaking. Beth
knew immediately that she was her forever
friend. Kit Kat loved tissue paper, blankets,
her pink brush, and fortunately Beth.
Beth lost Kit Kat in December of 2015.

MICA'S STORY

Around Thanksgiving 2010, after checking the mail in Phoenix, I was driving thru the desert and I saw a black dog. I called my husband Garry to get a leash, some water and a bowl. I drove to the house to pick up my husband and we went back to the spot where I had seen her. We looked and looked for the black dog and were about to give up when Garry spotted her. We caught her, gave her some water and took her home. To our surprise our 3 other dogs accepted her as they can be territorial. We took her to the vet, got her shots and the vet guessed her age to be just over a year old. She was not microchipped and she was not on any Lost Pet website. I named her Mica because she had this beautiful black fur that had copper tips in the sun.

She was our gem that we found in the desert. Mica enjoys her favorite blanket.....

Honey was a twice returned shelter dog being considered for euthanasia because she was old and dog reactive. Dave met her as a volunteer and refused to believe that she was flawed. He took her home and Dave's other dog Brewski and Honey became fast friends. After 2 great years with the Morefield family, Honey passed away in April, 2016

Ruth's Awesome Pets

Duff my newest puppy was born in July 2015. His momma was found tied to a tree with no food or water in California in the heat of summer. She was rescued and taken to a foster where 3 days later she delivered 12 puppies, 2 of which did not survive. I adopted Duff and he was transported to Washington State in September of 2015. At 9 weeks old he weighed 13 lbs. He is Mastiff/Shepherd/Husky mix. He has the most wonderful disposition and now at 9 months old he weighs 84.2 lbs.

Riley, my other dog has been mother, teacher and friend to Duff. She is 5 years old.

We adopted Walker (at 2 months old) and Maggi (at 5 months) from Pima Animal Care Center in Tucson when I volunteered there. Walker will be 10 this year and Maggi turns 7. Little Champ, our most recent addition, was a foster from Circle L Ranch in Prescott Valley where we now volunteer. He was found in a dumpster in Buckeye at 2 months old. He is smart, independent and loves to rest on your feet, couldn't part with him! All of our dogs love kids and are the joy of our lives along with our two rescue horses Teddi and Hayden.

**If you're a senior living alone, an unexpected illness can be devastating to you and your pets. That's why we created
PETEY'S PLAYGROUND.**

We are a foster-based pet rescue serving seniors in Congress, Yarnell, Peeples Valley, Kirkland, Wilhoit, Skull Valley, and the rural areas in between. We'll take care of your pet if you are unable to do so in a short-term crisis. In some situations, we'll care for your pet in your own home so that your companion animal will not have to face the stress of moving. In other cases we will place your pet in a loving foster home. When you're well again, your pet will come home. We'll also assist you with finding the right new home for your pet if you decide you can no longer care for the animal. There is no charge for this service.

We are a 501 (c) 3 nonprofit animal welfare organization financed by private donations.

We want to help the animals and *you*.

You can help us by registering for our services in advance or give us a call. We'll add your name to our list of Clients. You can rest assured that we will take care of your pets while you take care of yourself.

Go to our website to get a form for registering your animals.
